General Instructions

Section references are to the Internal Revenue Code.

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2022 if you meet both of the following conditions: you had no federal income tax liability in 2021 and you expect to have no federal income tax liability in 2022. You had no federal income tax liability in 2021 if (1) your total tax on line 24 on your 2021 Form 1040 or 1040-SR is zero (or less than the sum of lines 27a, 28, 29, and 30), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2022 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2023.

Your privacy. If you prefer to limit information provided in Steps 2 through 4, use the online estimator, which will also increase accuracy.

As an alternative to the estimator: if you have concerns with Step 2(c), you may choose Step 2(b); if you have concerns with Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c). If this is the only job in your household, you may instead check the box in Step 2(c), which will increase your withholding and significantly reduce your paycheck (often by thousands of dollars over the year).

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

- 1. Expect to work only part of the year;
- 2. Have dividend or capital gain income, or are subject to additional taxes, such as Additional Medicare Tax;
- 3. Have self-employment income (see below); or
- 4. Prefer the most accurate withholding for multiple job situations.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

If you (and your spouse) have a total of only two jobs, you may instead check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is roughly accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include other tax credits for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2022 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay each pay period, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b) - Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

| 1 | Two jobs. If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. PENNSYLVANIA RIGHTS & DUTIES

NOTICE: MEDICAL TREATMENT FOR YOUR WORK INJURY OR OCCUPATIONAL ILLNESS

Your employer has selected a list of 6 or more physicians and other health care providers who are able to treat your work-related injuries and illnesses during the first 90 days of treatment. This list is posted at the <u>JOB SITE OFFICE</u> for you to view. Also, you may get a copy of this list from your <u>JOB FOREMAN</u>.

If you are injured at work or suffer an occupational illness, you have certain legal RIGHTS and DUTIES under Section 306(f.1)(1)(i) of the Pennsylvania Workers' Compensation Act regarding your medical treatment. These rights and duties are summarized below.

MEDICAL TREATMENT: DURING THE FIRST 90 DAYS

- You have the RIGHT to receive reasonable and necessary medical treatment for your work injury or occupational illness. Your employer must pay for the treatment, as long as the treatment is by one of the listed providers.
- You have the RIGHT to choose which of the listed providers will treat you for your work injury or illness.
- You have the RIGHT to switch among any of the listed providers when you receive treatment; and if a listed provider refers you to a provider not on your employer's list, you have the RIGHT to receive treatment from the referral provider.
- You have the RIGHT to receive emergency medical treatment from any provider. However, nonemergency treatment must be given by a listed provider.
- If a listed provider prescribes surgery for you, you have the RIGHT to receive a second opinion from any provider of your choice. If that opinion is different from the opinion of the listed provider, you

have the RIGHT to choose which course of treatment to follow.

If you choose the treatment prescribed in the second opinion, you must receive the treatment from a listed provider for a period of 90 days after the date of your visit to the provider of the second opinion.

- You have the DUTY to visit one or more of the listed providers for the first 90 days of treatment for your work injury or illness if you expect your employer to pay for the medical treatment you receive.
- You have the DUTY to visit one or more of the listed providers for the first 90 days of treatment for your work injury or illness if you expect your employer to pay for the medical treatment you receive.

IMPORTANT: The requirements your employer must meet to have a valid list of at least 6 providers are shown on the reverse side of this form. If the list does not meet these requirements, it is not a valid list, and you have the right to seek medical treatment for your work injury or occupational illness from any health care provider of your choice.

MEDICAL TREATMENT: AFTER THE FIRST 90 DAYS

- You have the RIGHT to receive treatment from any physician or other health care provider of your choice, whether or not they are listed by your employer. Your employer must pay for this treatment, as long as it is reasonable and necessary for your work injury or occupational illness and has been properly documented by the physician or other health care provider.
- You have the DUTY to notify your employer if you receive treatment from a physician or other health care provider who is not listed by your employer. You must notify your employer within five days of the first visit to any provider who is not on your employer's list. The employer may not be required to pay for treatment received until you have given this notice.

Your signature on this form indicates that you have been informed of and you understand these rights and duties. If you have questions, be sure you have your rights and duties explained to you before signing this form.
